

We would like to Thank all of the  
volunteers that helped with the  
*Religious Goods Fair.*

*We could never have done it alone and we are so  
grateful to have been blessed with so many incredible  
volunteers to ensure the success of another Religious  
Goods Fair.*

We pray that the children are enjoying and using all  
the religious articles that they purchased at the fair.

The classrooms received approximately \$650  
worth of products to be shared by all the  
students in the classrooms.

*We again thank Abbott's and Pauline Books and Media for faithfully  
providing our products each year.*

God Bless,
