Important Notice From the Health Office

Again this year, we will not be sending out Medical Information Packets for the upcoming 2010-2011 school year. The usual informational letter and information concerning medication at school will be available for you to read. **You will have to print and fill out the three school forms.** These forms are marked **P, Y and S**. There must be one per child and handed in to your child's homeroom teacher the first week of school in September. If your child has Asthma and will need an Inhaler at school the Asthma Action Form will need to be printed and filled out by your Doctor as in the past. If you have any questions, please call the Health Office.
